EFF: NOVEMBER 17, 2021

**PLEASE NOTE:** Due to Covid and these unprecedented times we all find ourselves in, you will notice how many prices have changed drastically. Please be assured that as usual, we are doing our best to keep our costs down and under control and that we are merely keeping up with the manufacturers' soaring prices. Thank you for your continued support and rest assured that as always, we will continue to support you as well.

## AMERICAN WOOLEN COMPANY

*Producers of the finest worsted & woolen cloth.*

American Woolen Company is an iconic name in the story of American textiles. Founded in 1899 in Lawrence, Massachusetts, American Woolen Company was the world's largest wool manufacturer in the early part of the 20th century. Today, the Company is forging a new New England design movement from its headquarters in Stafford Springs, CT.

# Women's NEXGRIP Boots

**NEW!**

## NEW AND UNIQUE SOLE DESIGN!

A combination of the following:

1. Retractable cleat system at the heel
2. Anti-Slip rubber at the forefront

## A NEW WAY TO OVERCOME WINTER

NEXGRIP is a Quebec based family company who brought on the market the Cleat System at the heel combined with Nonslip Technology at the forefoot for boots that will allow you to overcome our winters.

BLACK

### Ice Lylia

A classic pull-on boot. Attractive yet rugged that can go from the barn to the coffee shop with ease. Easy on/off with full medial side zipper and stretch goring at the top of the boot to fit different sized calves. It also has a unique traction system on the outsole of the boot that includes an anti-slip compound in the forefoot along with an easy to flip over retractable stainless steel cleat in the heel for traction in icy and snowy conditions.

Tall 14½" boot. Leather upper (Repel Leather). Waterproof membrane. Medial size zipper. Stretch goring at top of boot for flexible fit. Rated to -30° C. Removable insole. Boot is lined with a 50/50 wool/polyester blend.

Item No.	Size	Weight	Price
A603BLK	Women's Whole Sizes: 7-11	5.50 lbs.	\$164.99

## LIGHT DUTY WEB SLINGS

### Web Slings Have Many Uses

- Can be used as a foot hold
- Works great as a redirect
- Can be choked around limbs or small brush piles and used as a handle
- Works great for light rigging applications

Inspect strap before each use. Do not use if hardware is defective; webbing is cut, frayed, burnt, melted, or abraded. Strength reduced if load path is not in straight line. Avoid sharp edges. Do not use for lifting - 1,500 LBS. **BREAKING STRENGTH.**

Part No.	Description	WLL Lbs.	Weight	Price
13WB	1" x 3' overall length (EYE & EYE)	1,500 lb.	Break Strength . . . . . .30 lbs.	\$11.95
18WB	1" x 8' overall length (EYE & EYE)	1,500 lb.	Break Strength . . . . . .75 lbs.	\$19.95

# NORSE Skidding Winches

HINGED BUTT PLATE

**NORSE 250** NET PRICE  
\$2,395.00  
20-40 HP-5,500 lbs. cap.

- Small, solid and compact, yet capable of handling the toughest jobs.
- Has all of the same features as the larger winches listed below.
- Turn your small tractor into a workhorse.

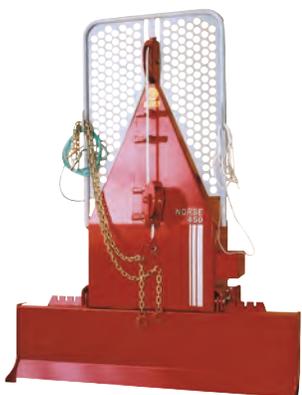

HINGED BUTT PLATE

**NORSE 350** NET PRICE  
\$3,195.00  
30-60 HP-7,868 lbs. cap.

**Solid and strong 7,700 lb. capacity logging winch for tractors (30-60 HP)**

- This winch also features hinged butt plate for smoother drive over stumps and stones.
- Adjustable height of pulling point.
- Good spooling characteristics due to long distance between top block and winch drum.
- Integrated toolbox.

HINGED BUTT PLATE

**NORSE 450** NET PRICE  
\$3,895.00  
40-90 HP-10,116 lbs. cap.

- Quick and easy system to replace clutch disk.
- New cleaner, smoother finish and appearance.
- More durable and efficient due to less moving parts than the older model.
- New interior pull lever system.
- Hinged butt plate for smoother drive over stumps and stones.

Powerful and versatile, an all around winch for farmers, woodland owners and contractors. The hinged "butt plate" performs very well on the skid path and at the staging area. Two position haul in block, and light pull clutch put the NORSE 450 at the top of its class.

## REPLACING THE CLUTCH PADS

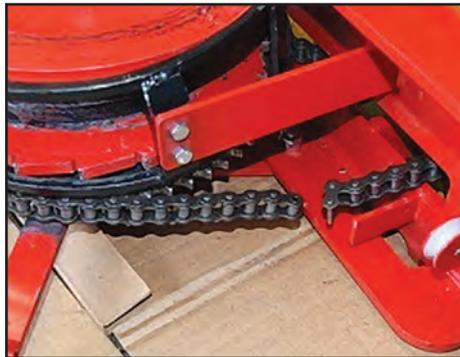

**NORSE WINCHES**  
The World Leaders for Over 50 Years!

1 - Take off the 6 main drum bolts from the main winch frame unit and drum brake.

2 - Pull the drum unit from the main winch frame unit onto a work table.

3 - Unlock the connecting link of the drive chain and remove the drive chain.

4 - Take off the connecting bolts to the drum frame unit and cable guard.

5 - Take off the main connecting nut.

6 - Take off the connecting bracket from the drum unit.

7 - The drum unit is now ready to separate from the sprocket unit.

# NORSE Skidding Winch Attachments

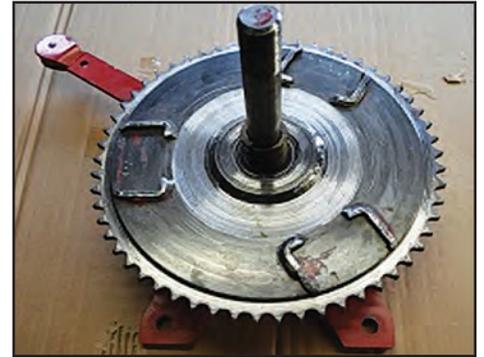

## REPLACING THE CLUTCH PADS

8 - Lift the drum off the main shaft and clutch assembly to get to the internal brake pads.

9 - To remove the old clutch pads use a hammer to "unpean" the connecting box brackets.

10 - Place your new clutch pads into the boxes on the drive plate.

11 - Pictured are the clutch pads placed onto the clutch pad boxes.

12 - Use a hammer again to "pean over" the box brackets to hold the clutch pads in place.

13 - This photo shows how the pulley rope system should be attached.

Note the rugged and robust construction of the Norse Winch internal frame components that ensures years of trouble free performance. Made of a special hardened Domex Steel. Norse - The World Leaders!

#### PRICING:

Prices listed are net. All prices listed in this catalog supersede all previous price lists. Due to the many manufacturers we deal with prices and specifications are subject to change without notice. The prices that will be charged are those in effect at the time of shipment.

**NOTE: CHECK OUR UPDATED ON-LINE PRICES BEFORE ORDERING TO MAKE SURE YOU HAVE THE ACCURATE PRICES!**

#### RETURNED GOODS:

Authorized returns must be accompanied with the original Labonville™ receipt. All original tags must be attached to all garments. Items must be in clean/unused condition.

- No returns on altered/hemmed garments.
- No returns after 30 days from date of purchase.

#### WARRANTY:

All goods sold by Labonville's™ are warranted to be free from defects or manufacturer defective workmanship. All warranty claims are subject to inspection and approval from Labonville's™ BEFORE a credit can be issued.

**WARRANTY:**  
 Labonville garments are guaranteed for 90 days. Garments sent back for repairs must have sales receipt, and garment must be cleaned, as per washing instructions.

# How It's Made...

Some of the many patterns needed to produce our products.

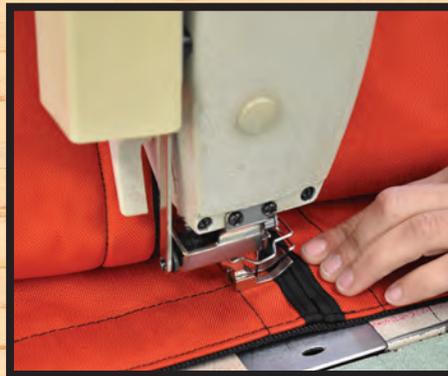

The cutting table.

Laying out the patterns for the production line.

Going through the production line.

Bar tacking all the critical stress points.

Bar tacking more critical stress points.

Sewing our labels to our nylon pants.

Making chokers and slings in the cable department.

Wire rope department - cutting, swaging, slings and chokers... we do it all!
